

English

English lessons, phonic, grammar and guided reading sessions.

Over Summer 1 we are reading Lost and Found by Oliver Jeffers. We will be writing character descriptions, retellings, advice letters, instructions, a fact file and our own version of the story.

Music

Music will be delivered by a specialist music team.

This half term children will focus on reading and performing graphic scores, linking symbols to sounds whilst maintaining pulse and ensemble performance.

Art

Craft and design: Woven wonders

Learning fibre art skills such as plaiting, threading, knotting and weaving to create three-dimensional woven artworks inspired by artist Cecilia Vicuna.

RSE

Health protection: How can I protect myself and others in daily life?

Exploring illnesses and injuries, understanding the roles of different healthcare workers in prevention and treatment and practising how to get medical help.

Science

Science - Plants

Children will be able to identify and name a variety of common wild and garden plants, including deciduous and evergreen trees. They will also identify and describe the basic structure of a variety of common flowering plants, including trees.

Working Scientifically (KS1 WS)

- i) asking simple questions and recognising that they can be answered in different ways*
- ii) observing closely, using simple equipment*
- iii) performing simple tests*
- iv) identifying and classifying*
- v) using their observations and ideas to suggest answers to questions*
- vi) gathering and recording data to help in answering questions*

R.E

Unit 1.6: Who is Muslim and how do they live? (part 2)

Year 1 – Summer 1

P.E- Athletics

Children will develop running, jumping, throwing and catching skills through athletic challenges, improving coordination, balance, spatial awareness, stamina, fitness and teamwork while learning safe movement and healthy lifestyles.

Maths

Multiplication and Division

Making equal groups, adding equal groups making equal rows, doubles and solving word problems. Divide even numbers into equal groups using concrete and to be able to determine how many groups will be created from sharing equally.

Fractions

*Recognise, find and name a half as one of two equal parts of an object, shape or quantity.
Recognise, find and name a quarter as one of four equal parts of an object, shape or quantity.*

Numbers to 100

Counting to 100, finding tens and ones, comparing numbers and making number patterns.

Computing

Creating Media: Digital Imagery

Developing creativity and imagination through planning a miniature adventure story and capturing it using photography techniques.

History

Significant Individuals: Florence Nightingale and Mary Seacole

What was the impact of Florence Nightingale and Mary Seacole on the world?

The children will find out about the influential nurses Florence Nightingale and Mary Seacole. The children will investigate what makes a person significant. They will explore and compare the lives and work of these nurses and find out how they have influenced nursing today.
