

English

English lessons, phonic, grammar and guided reading sessions.

Over Summer 2 we are reading the magic bed by John Burningham. We will be writing setting descriptions, an additional scene, description of a magical piece of furniture, lists and our own version of the story.

Music

Music will be delivered by a specialist music team.

This half term children will focus on using music technology to create, record, combine and edit sounds through simple digital composition projects.

DT

Textiles: Puppets

Developing textile skills to design and create hand puppets based on characters from a well-known fairytale.

RSE

Staying safe: How can I stay safe?

Recognising how rules help to keep people safe by identifying everyday hazards and understanding situations that could cause harm.

Science

Science - Plants

Children will be able to identify and name a variety of common wild and garden plants, including deciduous and evergreen trees.

They will also identify and describe the basic structure of a variety of common flowering plants, including trees.

Seasonal Changes- Observe changes across the seasons and recognise how the weather changes – Summer focus.

Working Scientifically (KSI WS)

- i) asking simple questions and recognising that they can be answered in different ways*
- ii) observing closely, using simple equipment*
- iii) performing simple tests*
- iv) identifying and classifying*
- v) using their observations and ideas to suggest answers to questions*
- vi) gathering and recording data to help in answering questions*

R.E

Unit 1.8: What makes some places sacred?

St Thomas's
CE Primary School

Year 1 – Summer 2

P.E: Fundamental games

Children will develop and apply fundamental movement skills, including running, jumping, throwing, catching, balancing and coordination, through engaging games and challenges.

Geography Asia

The children will be visiting the continent of Asia and finding out about it.

We will be focussing on the physical and human geography of India and China.

We will be locating and naming some rivers, mountains and cities and famous landmarks, including the Taj Mahal and Great wall of China.

Maths

Time

Telling the time to the hour and half an hour, ordering events, estimating duration of time, comparing time and using a calendar.

Money

Recognising coins and notes

Volume and capacity

Comparing volume, finding capacity and describing volume using half and a quarter.

Mass

Finding and comparing mass

Space

Describing positions, describing movements and making turns.

Computing

Data handling: Introduction to data

Learning what data is, why it is useful and the different ways that it can be gathered and recorded both by humans and computers.
