

English

Why do you think orang-utans need our help, and how could you persuade people to protect them?

Why is it important to protect our environment, and what message would you put on a campaign poster to encourage others to help?

Music

Can you tell me about a song, instrument, or musical skill you have learned this term?

Art/DT

How did you make parts of your drawing darker or lighter?
What textures did you notice, and how did you show them in your drawing?
What will you do differently next time?

PHSE/RSE

Health & Well-being

What are some ways you can move your body, and why are exercise and a good night's sleep important for your health?
Can you name some fruits and vegetables and tell me which foods and drinks help keep your body healthy?
If you were making a daily healthy timetable, what healthy habits would you include and how would they help your body and mind?

Science

Animals, Including Humans

Can you tell me how a baby animal or baby human changes as it grows into an adult?
What do animals and humans need to stay alive and healthy, and why are these things important?
What are some things you can do every day to keep your body healthy?

R.E

What objects are precious in a Jewish household?
How do Jewish people celebrate Shabbat?

Year 2 – Autumn 1

P.E: What fundamental movements have you been practising, and how do they help you in sports and games?

Maths

Number and Place Value I am thinking of a number with 4 tens and 7 ones. What number am I thinking of? How do you know?

Addition and Subtraction If you have 36 sweets and I give you 27 more, how could you work out how many sweets you have altogether? Can you explain your method?

Times Tables There are 5 apples in each basket. If there are 6 baskets, how many apples are there altogether? Which times table fact helps you find the answer?

Computing

Can you name two pieces of technology or computer equipment and tell me what they do?

How do computers help people at home, at school, or in the community?

History

How are trains from the Victorian times different from the trains we use today?

How did George Stephenson or the Wright Brothers change the way people travel?
