PE

Gymnastics

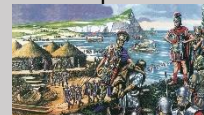

History - Roman Britain (Golden Threads)

Settlements - What did Roman Villas look like? Why were Roman roads and towns important?

Society - What was life like for Britons (Celts) under Roman rule?

Conflict - Were there any rebellions against the Roman invasion (Boudica)

Music

Wider Opportunities - Violins

Science

States of Matter

Compare and group materials together, according to whether they are solids, liquids and gases;

Observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius ($^{\circ}\text{C}$);

Identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature.

States of Matter
