

English

Romeo and Juliette
Some places more than others.

Writing focus

Transition project
Maps, recipes, poems, biography.

Science - Sound

- Recognise that light appears to travel in straight lines
- Use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye
- Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

Maths

Algebra
Shape, space and measure
Transition

Ratio

Music

Bury Music Service-
Ukulele

Year 6-Summer 2

RE

How does faith help when life gets hard?
