# PAQUES

## Objectives:

- To learn how people celebrate Easter in France.

# EASTER TRADITION in FRANCE:

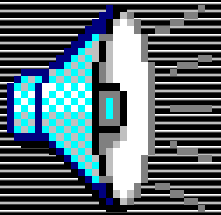

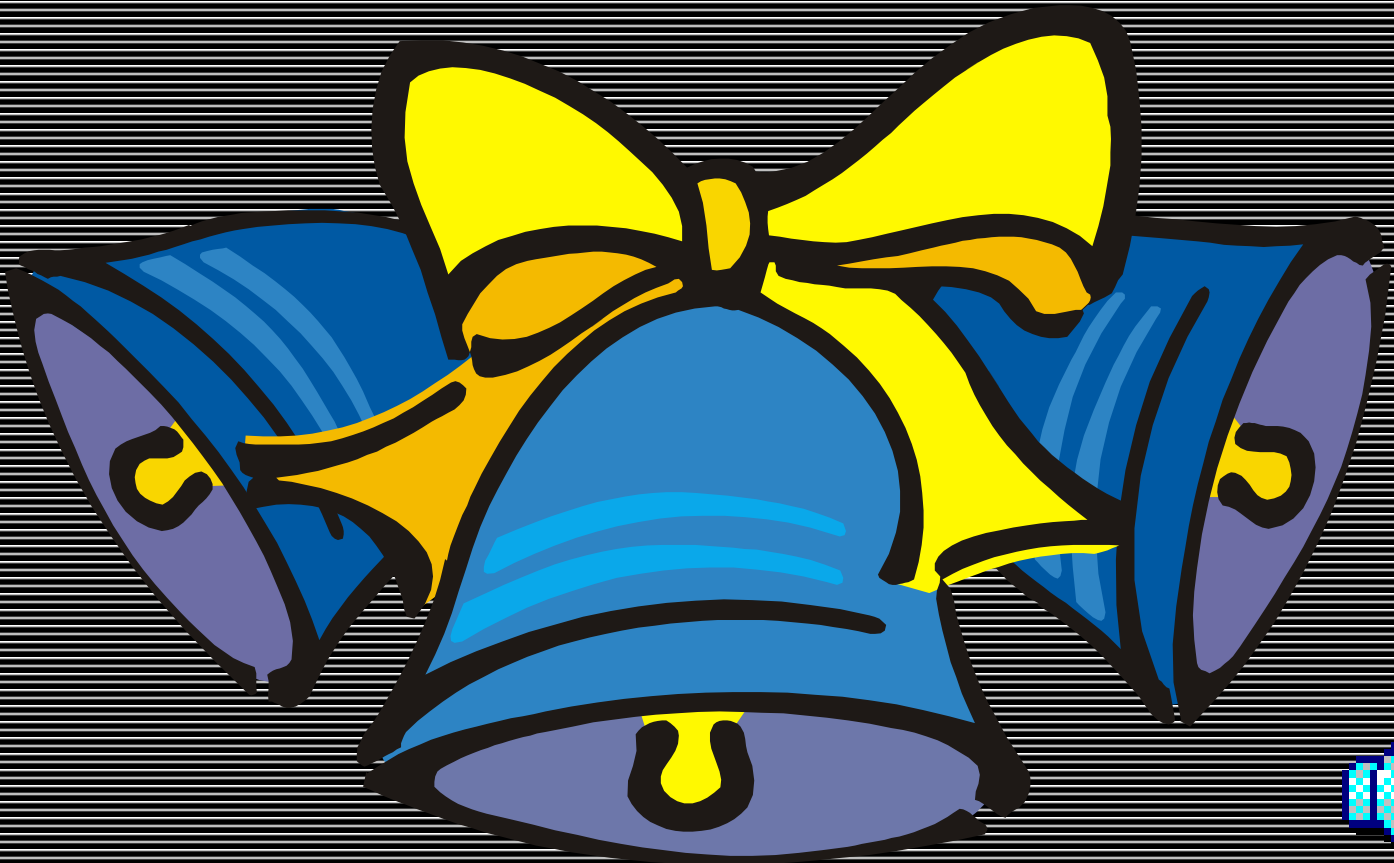

- ❑ In France, a mainly Catholic country, bells ring every day of the year to remind people to go to church; except from Thursday to Saturday before Easter Sunday.
- ❑ At that time, we say that all the bells fly to Roma, capital of Italy, to get blessed by the Pope.
- ❑ On their way back, the bells bring Easter eggs to all the good children. When crossing France, they drop chocolate eggs, chocolate chicken, chicks, bunny, lamb, just after midday.
- ❑ Children, then, go chocolate hunting in their gardens or parks.
